WORDS TO WEAR

Madonna's latest video, *Die Another Day*, has inspired the designer Sharagano to design a line of clothing bearing symbols known as the 72 Names of God.

Tattooed on Madonna's arm is *Lamed Aleph Vav*. Sharagano's tank tops and T-shirts bear Hebrew phrases that coincide with these letters, such as "no more ego" and "destroy your ego."

Women can choose from tank tops, baby T-shirts and fitted long-sleeve T-shirts in either black or white; short-sleeve T-shirts are available for men.

The shirts are sold at Sharagano retail stores and online at www.sharaganoparis.com and www.kabbalah.com for \$30 to \$40. Proceeds go to the not-for-profit Kabbalah Centre, an educational organization that promotes spiritual growth regardless of faith, political beliefs or race.
